

Aster Capital

Aster Capital is a long-only fund investing in publicly traded companies in Brazil that combine both quality and growth. We are long-term oriented and along with the traditional bottom-up analysis, we use data science, integrated in our research, to deepen our investment analysis and allow us to invest in the sustainable winners of each sector.

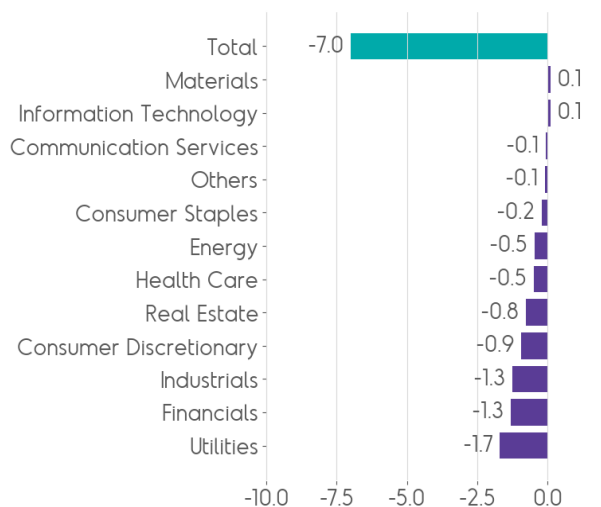

Performance (% , BRL)

	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC	YEAR
